CONCEPTUAL NOTE

Dear Sir/Madam,

As a result of the COVID – 19 crisis, the world is changing even faster than ever, and the entire human society has opted to stay home to be safe in this lockdown. This is an unpredictable phase, which may lead to massive impact on the Indian Economy. For companies, government, institutions and individuals, it is important to relate with the future financial crisis. This uncertainty future decline in the economy, hike in unemployment, crash of stock market, financial loss of equity

investors, decreased bank interest rate on saving schemes or investment these hits our financial planning.

Viewed against this backdrop raised, we as the academic leaders provide constant guidelines to our society in a large scale and to make productive use of this lockdown. So join hands on the 2 days National Webinar on **Managing Personal Finance during COVID – 19** and share your valuable facts and suggestions. The focal theme of this webinar is financial decisions for a person or family will be:

Management of money

Income and Expenses

Ratio between Income and Expenses

Budgeting

Savings and Investments

Financial Planning
